# Student Feedback

“I was talking to a bunch of our students yesterday, and they love registering using workday student. Well done!! ” – Associate Dean

“It was super easy for me to navigate and I like how we can plan a schedule in advance through Workday.” – Freshman, Kinesiology

“Once you figure out how it works to make a saved schedule from the academic plan it’s so nice.” – Anonymous

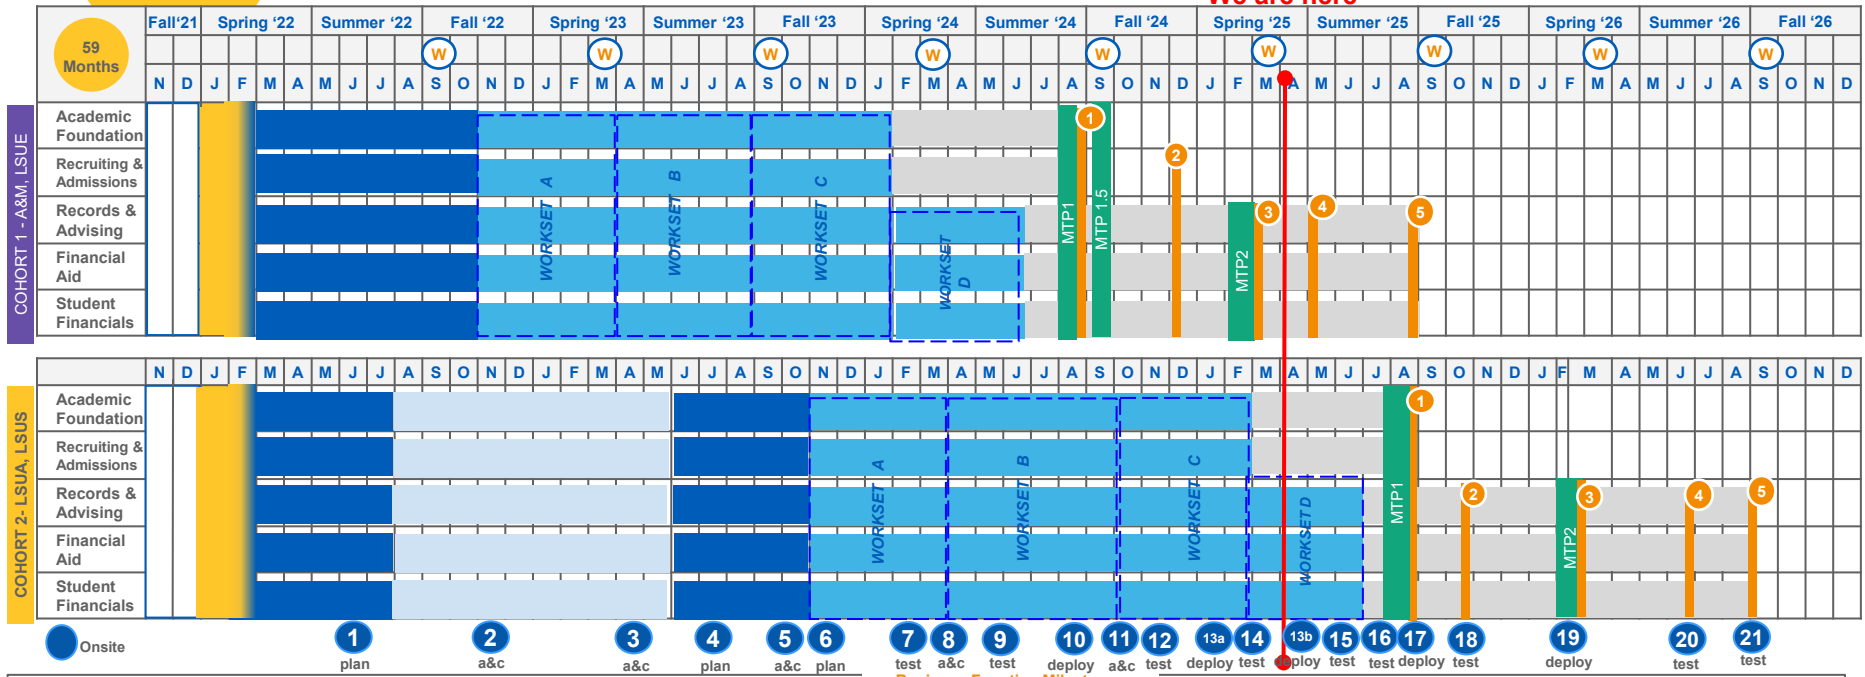

“I personally liked the old version better just because it was something I had gotten used to, and I’m not always sure how new things work.” – Freshman, Elementary Education

Workday Student [lsu.edu/workdaystudent](https://lsu.edu/workdaystudent)

LSU selected Workday as the vendor for its new, modernized student information system. LSU A&M, LSU of Alexandria, LSU Eunice, and LSU Shreveport are working together on this project to achieve a unified student information system across these institutions.

This project will significantly impact the way our students, faculty, and staff work, study, and navigate life at LSU. As such, robust planning and
